3. Conclusion

As freaky as it sounds, the year has almost gone by and Christmas will be knocking on our doors in a month and a half.

We all know that Christmas equals gift-giving season and we love this time of the year just because of it.

Snow is mostly awful (when it does not come to skiing) but the coziness of the Christmas spirit warms our hearts.

Now it is the perfect time to start thinking about the gifts you will surprise your loved ones with.

Introduction

It is very likely to know a computer geek or to be one yourself.

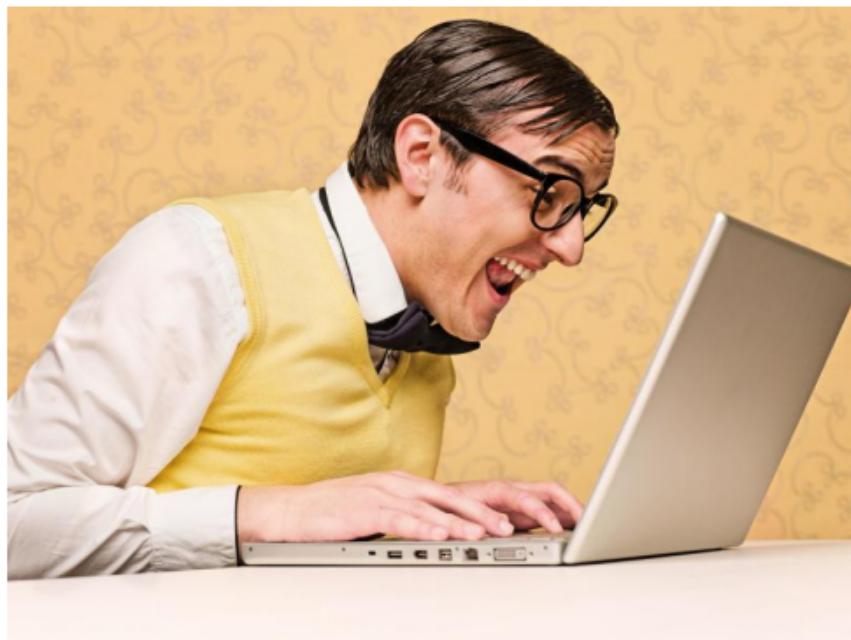

So there are 2 options: you do not have a clue what is going on or you do not know what else to buy already.

In order to make it easy for you, whatever your situation is, we have collected some of the coolest gifts you can get for the computer geek in your life.

Open your mind and make sure to have fun in the process!

Oh, as for the budget - we have something for every pocket!

Top 15 gifts for computer geeks

We imagined what we would like to become as a present if we were computer geeks.

This is how the following list was created.

The presented gifts seemed the most intriguing to us and we hope that you will find them such too!

Now diving straight into it:

1. My Arcade Retro Arcade Machine Handheld Gaming System

2. ThinkGeek Star Wars R2-D2 Measuring Cup Set

We all have a friend who is a big Star Wars lover and this measuring cup set is definitely the perfect gift for them!

It looks like R2-D2 and it comes with a body, built from 4 measuring cups of $\frac{1}{4}$, $\frac{1}{3}$, $\frac{1}{2}$ and 1 cup.

The arms of R2-D2 are detachable and turn into nested measuring spoons of $\frac{1}{4}$, $\frac{1}{2}$, one teaspoon and $\frac{1}{3}$ tablespoon.

The dome is both $\frac{1}{2}$ cup and 1 tablespoon.

It is important not to microwave them or put them in the dishwasher!

However, the material of the measuring cup set is of high quality since it is made of food-grade ABS plastic which is BPA-free.

How cool is that!
